Pursuant to the Agreement, SONIFI may offer Contractor the opportunity to perform professional services and to provide deliverables as set forth in written purchase orders and/or statements of work (each, a “**PO**” and, collectively “**POs**”) for SONIFI customers (individually, a “**Customer Facility**” and, collectively, “**Customer Facilities**”) (such services and deliverables delineated in a PO, the “**Services**”). No PO is effective until it has been executed by both Parties. Contractor shall perform the Services as provided in the applicable PO, including any Change Order signed by both Parties. The Parties agree that time is of the essence in the performance of the Services.

1.2 Travel. Contractor agrees to travel to the location identified in a PO at Contractor’s sole expense to perform the Services, unless otherwise specified in the applicable PO.

1.4 Forms. Contractor will complete and promptly return to SONIFI all forms and other documents required by SONIFI with respect to the performance of Services (“**Forms**”), as such Forms may change from time to time in SONIFI’s sole discretion. **Contractor shall not be entitled to any payment for Services unless all Forms are completed accurately and submitted to and accepted by SONIFI (including, without limitation, as set forth in Subsection 5.2).**

1.5 Change Orders. **The following is a material term of the Agreement.** Contractor shall submit a Change Order substantially in the form specified by SONIFI for such purpose if any of the following occur: (i) additional or different Services (*i.e.*, other than as stated in the applicable PO) are needed; (ii) a site survey performed by SONIFI or Contractor is incorrect (provided, however, Contractor acknowledges that it may be responsible for additional costs resulting from inaccurate site surveys if Contractor performed the site survey); or (iii) the equipment and materials furnished or delivered to Contractor by SONIFI or delivered directly to a Customer Facility by SONIFI (collectively, in either case, the “**Equipment**”) do not conform to the hardware and materials specified in the applicable PO; or (iv) additional or different Equipment is required to meet the specifications set forth in the applicable PO. **Contractor shall not be entitled to any modification of the terms of a PO (including, for example, additional payment) unless a Change Order has been signed by a member of the SONIFI Management team or other authorized SONIFI representative.**

1.6 No Right to Work. It is understood that no promises or representations whatsoever have been made as to the potential number or financial value of POs that Contractor can expect at any time during the Term of the Agreement. This Agreement does not provide any right to Contractor to be offered any minimum number of POs, or any minimum value of Services under any POs.

At SONIFI's request, Contractor agrees to investigate any claimed defects in the Services and to replace any defective hardware or defective materials and remedy any defective workmanship within a reasonable period of time not to exceed five business days after receipt of SONIFI's request. If Contractor or its contractors, subcontractors and agents, as applicable, fail to adequately perform Contractor's warranty obligations, then SONIFI shall have the right without further notice to Contractor to correct such defects in which case Contractor, at SONIFI's option, shall reimburse SONIFI for all costs and expenses SONIFI incurred in correcting the defects or SONIFI may offset such amounts from any amounts owing to Contractor.

10.2 Termination for Default. If either Party defaults in the performance of any of its material obligations or material duties hereunder or under a PO, or breaches any representation, guarantee, covenant or warranty, and such default is not cured within ten (10) days after written notice detailing the breach, then the non-defaulting Party may terminate the Agreement or the applicable PO (without terminating the Agreement) by giving written notice to the defaulting Party.

10.3 Automatic Termination. The Agreement shall terminate automatically should any of the following occur, unless SONIFI notifies Contractor to the contrary in writing: (i) Contractor becomes insolvent, or voluntary or involuntary bankruptcy, insolvency or similar proceedings are instituted against Contractor; or (ii) Contractor, for more than twenty (20) consecutive days, fails to maintain operations as a going business, as determined in SONIFI's sole judgment.

Section 11. Indemnification. Contractor shall indemnify, defend and hold harmless SONIFI, its subsidiary companies and affiliates, their customers and its and their respective officers, directors, managers, employees, agents and shareholders, and its and their respective assigns, heirs, successors and legal representatives, from and against any and all lawsuits, claims, causes of action, investigations, and proceedings (collectively, "Claims" and, individually, a "Claim") and all judgments, costs, losses, liabilities, damages, penalties, fines and expenses (including, without limitation, interest, penalties, reasonable attorneys' fees, court costs, expert witness fees and all monies paid in the investigation, defense or settlement of any or all of the foregoing) (collectively, "Losses") that arise out of, or are incurred in connection with: (i) Contractor's (or Contractor's employees', subcontractors' or agents') performance or failure to perform under the Agreement, a PO or a Change Order, (ii) Contractor's (or Contractor's employees', subcontractors' or agents') unlawful acts or unlawful omissions (whether or not such acts or omissions are within the scope of employment or authority of such employees, subcontractors or agents), and in each such case any direct or indirect results thereof; (iii) Contractor's breach of any

representation, warranty, covenant or other commitment or provision in the Agreement, a PO or a Change Order; (iv) all purchases, contracts, debts and/or obligations made by Contractor not expressly authorized by SONIFI in writing; or (v) any claim brought by Contractor's employees, subcontractors or agents against SONIFI, its subsidiary companies and affiliates, their customers and its and their respective officers, directors, managers, employees, agents and shareholders, and its and their respective assigns, heirs, successors and legal representatives. SONIFI shall notify Contractor in writing as soon as practicable, but in no event later than ten (10) days after receipt of any Claim or Claims for which indemnification is sought, together with such further information as is necessary for the Contractor to evaluate such Claim to the extent SONIFI is in possession or has knowledge of such information; *provided* that any delay in giving such notice later than such ten (10) days shall not preclude SONIFI from seeking indemnification or reimbursement if: (a) such delay has not materially prejudiced Contractor's ability to defend the Claim; and (b) such delay does not materially affect the amount of any Losses awarded for or paid in settlement of such Claim. Contractor shall have the right to assume full control of the defense of an Indemnified Claim, including retaining counsel of its own choosing (which counsel shall be reasonably acceptable to the SONIFI and which acceptance shall not be unreasonably withheld, conditioned or delayed), at the Contractor's sole cost and expense. Upon the assumption by Contractor of the defense of an indemnified Claim with counsel of its choosing that is reasonably acceptable to SONIFI, Contractor will not be liable for the fees and expenses of any additional counsel that may be retained by SONIFI. Contractor shall not settle any claim or consent to any judgment that entails any admission of liability or wrongdoing on the part of SONIFI or requires SONIFI to take any independent action, in each case, without the prior written consent of SONIFI. SONIFI shall cooperate with Contractor in the defense of any indemnified Claim, and shall furnish such records, information and testimony and attend such conferences, discovery proceedings, hearings, trials and appeals as may be reasonably requested in connection therewith, all at Contractor's expense. Notwithstanding the foregoing provisions, Contractor does not have any obligation to indemnify or reimburse for any Losses paid by SONIFI voluntarily, and without Contractor's prior written consent, to settle a Claim; *provided* that Contractor shall not unreasonably withhold, condition, or delay its consent to any such settlement. The provisions in this Section 11 survive expiration or termination of the Agreement indefinitely.

Section 12. Limitation of Liability. IN NO EVENT SHALL SONIFI OR ANY SUBSIDIARY, AFFILIATE, OR CUSTOMER OF SONIFI OR ANY OF THEIR RESPECTIVE SHAREHOLDERS, DIRECTORS, MANAGERS, OFFICERS, EMPLOYEES OR AGENTS BE LIABLE FOR ANY EXEMPLARY, SPECIAL, INCIDENTAL, PUNITIVE OR CONSEQUENTIAL DAMAGES TO CONTRACTOR (INCLUDING, WITHOUT LIMITATION, ANY PAYMENT FOR LOST BUSINESS, LOST PROFITS, FUTURE PROFITS, LOSS OF GOODWILL, REIMBURSEMENT FOR EXPENDITURES OR INVESTMENTS MADE OR COMMITMENTS ENTERED INTO, CREATION OF CLIENTELE, ADVERTISING COSTS, TERMINATION OF EMPLOYEES OR EMPLOYEE SALARIES, OVERHEAD OR FACILITIES INCURRED OR ACQUIRED BASED UPON THE BUSINESS DERIVED OR ANTICIPATED UNDER THE AGREEMENT), WHETHER FORESEEABLE OR NOT, FOR ANY REASON WHATSOEVER WHETHER OR NOT CAUSED BY SONIFI'S NEGLIGENCE, GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. IN NO EVENT SHALL ANY PROJECTIONS OR FORECASTS BY SONIFI BE BINDING AS COMMITMENTS OR PROMISES BY SONIFI. SONIFI'S ENTIRE LIABILITY FOR ANY CAUSE OF ACTION, SUIT OR CLAIM RELATED TO OR ARISING OUT OF THE AGREEMENT IS LIMITED TO AMOUNTS PAID BY SONIFI TO CONTRACTOR FOR SERVICES PROVIDED DURING THE SIX (6) MONTHS IMMEDIATELY PRECEDING THE EVENT OR CIRCUMSTANCES GIVING RISE TO SUCH CLAIM, SUIT OR CAUSE OF ACTION. THE PROVISIONS OF THIS SECTION 12 SURVIVE EXPIRATION OR TERMINATION OF THE AGREEMENT INDEFINITELY.

Section 13. Confidentiality. Contractor represents and warrants to SONIFI that Contractor and its affiliates, agents, contractors and subcontractors,

together with its and their respective shareholders, members, partners, directors, officers and employees, have maintained and will maintain, in strict confidence, the terms and conditions of the Agreement and all POs and Change Orders, all financial or business plans of SONIFI, any list of current and prospective SONIFI customers, the terms of any SONIFI contract, any information relating to SONIFI products or services, SONIFI Equipment, SONIFI installation plans or schedules, or SONIFI intellectual property (including, without limitation, training materials, specifications, hardware, systems designs and architecture, software and other technology), and all data, summaries or reports relating to the foregoing, whether oral or written (collectively, "SONIFI Confidential Information"), and have not revealed, and will not reveal, the same to any entities or persons not employed by it except: (a) at the written direction of SONIFI; or (b) to its contractors, subcontractor and agents performing Services; and (c) to its auditors, attorneys and other representatives, provided in each such case the recipient agrees to be bound by the provisions of this Section 13 and in any event Contractor shall be liable to SONIFI for any breach by such persons or entities of these confidentiality provisions. Such confidentiality obligations do not apply: (i) to information that is or becomes publicly available through no violation by Contractor or any of its affiliates, agents, contractors, subcontractors or other representatives of its obligations under the Agreement; (ii) to information furnished by a third party who was not, at the time at which such information was furnished, under a legal, contractual or fiduciary obligation to keep such information confidential; (iii) to information that was in the possession of Contractor without any confidentiality obligation prior to disclosure by SONIFI; or (iv) to the extent necessary to comply with law or an order of a court of competent jurisdiction, in which event the person or entity seeking to make a disclosure shall so notify SONIFI prior to making any disclosure and in all cases shall cooperate with SONIFI if SONIFI should seek confidential treatment of such information. Contractor must use SONIFI Confidential Information only to perform its obligations under the Agreement, a PO or a Change Order, and for no other purpose. Contractor shall cause its contractors, subcontractors, and agents and its and their respective shareholders, members, partners, directors, officers, and employees to comply with the foregoing limitation and with all obligations in this Section 13. The requirements of this Section 13 supplement and do not supersede, terminate or void Contractor's confidentiality obligations under a separate nondisclosure agreement entered into by and between the Parties.

Section 14. General Provisions.

14.1 Assignment. Contractor may not assign, novate or otherwise transfer any of its rights or obligations under this Agreement, a PO or a Change Order without the prior written consent of SONIFI, which may be granted or withheld in SONIFI's sole discretion.

14.2 Entire Agreement. The Agreement, including these General Terms and all POs, Standards of Performance and Change Orders, contains the full and complete understanding between the Parties hereto and supersedes all prior understandings, whether written or oral, pertaining to the subject matter hereof.

14.3 Amendment and Waiver. The Agreement, including all POs and Change Orders, and all rights, remedies, covenants and obligations thereunder cannot be modified, waived or amended except in a written instrument signed by both Parties. No handwritten or other changes, additions, or deletions made by a Party on any pages of the Agreement, a PO or a Change Order are valid or binding without the written consent of the other Party.

14.4 Notice. Notice under this Agreement shall be given in writing at the address for each Party indicated in the Agreement, or such other address as notified in writing. Notice shall be given by personal delivery, by mailing the same by certified mail, return receipt requested, or by overnight courier with confirmed delivery, addressed to the other Party as aforesaid, with a courtesy copy sent by email. Notice shall be deemed given when received, provided that receipt after business hours at the place of receipt shall be deemed received as the next business day.

14.5 Governing Law. This Agreement and the rights and obligations of the parties hereunder shall be governed by and construed in

accordance with the laws of the Province of Ontario applicable to contracts entered into and fully performed therein without regard to its conflict of laws principles. The Parties agree that any dispute regarding the Agreement, a PO or a Change Order shall be subject to the exclusive jurisdiction of the federal or state courts in the County of Minnehaha in South Dakota and the Parties hereby submit to the personal jurisdiction of and venue in such courts.

14.6 Headings; Construction. The headings contained in this Agreement were inserted for the convenience of reference only. They do not in any manner define, limit or describe the provisions of this Agreement or the intentions of the parties. This Agreement was mutually negotiated by the parties and no rule of construction shall be applied against either party on the basis that such party was the drafter of this Agreement.

14.7 Survival. Sections 5.1, 6.3, Section 8, 10, 11, 12, 13 and 14 of this Agreement shall survive the expiration or earlier termination of the Agreement as well as any other provisions of this Agreement which must reasonably survive in order to give meaning to such provision.

14.8 Severability. Each provision of this Agreement shall be construed as separable and divisible from every other provision and the enforceability of any one provision shall not limit the enforceability or applicability, in whole or in part, of any other provision of this Agreement. If a court of competent jurisdiction determines that any provision of this Agreement, or the application of any provision to any person or circumstances, shall to any extent be invalid or unenforceable, the provision shall be construed by limiting and reducing the provision so as to be enforceable to the fullest extent possible under then applicable law.

14.9 Relationship of the Parties. The Agreement is intended to create an independent contractor relationship between SONIFI and Contractor for purposes of federal, state and local law, including, without limitation, the Internal Revenue Code of 1986, as amended. Without limitation, Contractor agrees to provide SONIFI with a completed "Request for Taxpayer Identification Number and Certification" in which the applicable taxpayer identification number is identified. **Because Contractor and Contractor's employees, contractors, subcontractors and agents are not employees of SONIFI, Contractor and its employees, contractors, subcontractors and agents are not entitled to any benefits to which SONIFI employees may be entitled under SONIFI policies or as otherwise required by law, including, without limitation, workers' compensation or unemployment compensation benefits.** SONIFI will not withhold any taxes from any amounts payable to Contractor under the Agreement, a PO or a Change Order and will not make any FICA or other contributions on behalf of, or for the benefit of, Contractor, and its employees, contractors, subcontractors and agents. **Contractor is solely responsible for the payment of all state, federal and local taxes on amounts payable to Contractor under this Agreement.** Contractor shall indemnify, defend and hold harmless SONIFI for any claims relating to such payments.
