If SONIFI, in its sole discretion, determines a reported problem with Headend Equipment, In-Room Equipment or Licensed Software installed on, stored on or embedded in the Headend Equipment or In-Room Equipment is attributable to (a) a defect in materials or workmanship in the Headend Equipment or the In-Room Equipment, as applicable, during the Limited Warranty Period or (b) a defect in the Licensed Software that prevents it from substantially conforming to any published Documentation during the Limited Warranty Period, and an on-site visit is required,

SONIFI will dispatch service personnel to begin correcting the problem as soon as reasonably possible taking into consideration the availability of SONIFI personnel, other contractual commitments and/or the existence of a Force Majeure Event. Card, (iii) lodging expenses, parking fees and tolls and (iv) applicable taxes, shipping, handling and freight. In no event shall SONIFI be obligated to dispatch service personnel to the Premises for a problem that is not the result of a failure of or a defect in Headend Equipment, In-Room Equipment or Licensed Software, regardless of whether such problem is discovered or reported during or after the applicable Limited Warranty Period.

2.5 Accelerated Service. If Company requests an earlier response time than that specified in Subsection 2.2, above, and SONIFI, in its sole discretion, dispatches service personnel to perform service, maintenance or repairs on an accelerated basis, Company shall be charged for labor at SONIFI's rate(s) set forth on the most current SONIFI Rate Card available upon request to SONIFI at salesclientserv@sonifi.com or as made available at www.sonifi.com, plus (i) the cost of parts, components and other materials (if not covered under this SONIFI Limited Warranty), (ii) the trip charge specified on the Rate Card, (iii) lodging expenses, parking fees and tolls and (iv) applicable taxes, shipping, handling and freight, regardless of whether the applicable Limited Warranty Period is still in effect.
